

Grade 5 Composer Reports:

For most composers assigned for this report, all the necessary information to answer the questions on the handout can be found by using encyclopedias from your school library. If you would rather search online, below are listed some suggested websites to find information about your composer. Should you wish to search further online, I recommend the following search engines:

Ask Jeeves for Kids: <http://www.ajkids.com/>

Yahooligans: <http://yahooligans.yahoo.com/>

Other search engines will also work, but tend to list many sites that do not contain information relevant to the assignment.
