

WORK PERMITS

In compliance with Maine Revised Statutes, work permits shall be issued at Bangor High School by such secretarial personnel as may be designated by the Principal.

These individuals shall be guided by the applicable laws and regulations of the State of Maine and shall refer any policy questions or unusual circumstances to the Principal of Bangor High School.

Students who reside in the State of Maine must obtain work permits from the municipality in which they reside. Out-of-state residents should apply for work permits from the Maine municipality in which they will be employed.
