**In-School Activities** (in order of importance) **Hrs. per Week**(Avg.)

Swim Team (9,10,11,12 – Captain senior year) Being on the school’s swim team is a huge commitment. There are two practices six times a week, weightlifting routines and meets.	20-25
Math Team (10,11,12) The BHS Math Team is a highly successful program at BHS. We compete numerous times during the year.	2
Oracle (12 – Activities Editor) I am responsible for designing forty pages of our Yearbook myself.	2-10
Class Council (9,10,11,12 – Vice President senior year) Ten students are elected to the council to lead the class and raise money for the prom and senior year activities.	2
Key Club (11,12) There are weekly meetings as well as various activities to help others.	1
National Honor Society (11,12) In addition to the recognition for being selected to this group, students are required to attend meetings and complete individual and group service projects.	1-2

**Non-School Activities** (in order of importance)

C.I.S.V. – Children’s International Summer Village (9,10,11,12) This international peace program selected me to travel to four different locations since I was eleven. Some of my most valuable lessons in life have been via the CISC.	NA
St. John’s Episcopal Church Choir (9,10,11,12) There are weekly rehearsals and services, plus monthly evensong services and occasional extra services. This is my favorite avocation.	2

**Employment/Volunteer Activities**

McDonald’s (11,12) I have worked ten hours per week during the school year and thirty-five hours per week in the summer. I have demonstrated numerous work skills such as responsibility, punctuality and a strong work ethic.	-
St. Joseph Hospital Volunteer (11) I spent sixty hours as a hospital volunteer last summer. I gained an appreciation for the value of helping others.	-
Race for the Cure (9,10,11,12) I have served as a volunteer for this cancer fundraiser each year. Volunteering will always be a part of my life.	-

**Hobbies and Interests**

Baseball Card Collecting – I have been collecting cards since the age of seven. This is something that has been a bonding activity between my father and me.	2
Auto Mechanics – My father and I have been rebuilding the engine in an old Mustang that will be mine when I graduate from high school. This time with him is invaluable.	2
