

SUBSTITUTE EDUCATIONAL TECHNICIANS:

We are continuously accepting applications for Substitute Educational Technician positions throughout the year. A high school diploma or equivalent will allow us to consider your application as a Substitute EdTech.

- Our application requires three letters of reference as well as proof of State of Maine CHRC Approval. Other payroll forms enclosed with our application include W-4 Form, I-9 Form, MainePERS Application and other helpful informational sheets. We do not conduct interviews for Substitute EdTech positions, therefore, the letters of reference are of vital importance to us - your application cannot be processed without them.

Compensation: \$10.00 per hour (short-term)
 \$10.50 per hour (long-term - after 10 consecutive days in the same position)

- Prior to being considered for a substitute position in the Bangor school system, all new and returning substitutes must first attend a Substitute Training/FERPA Session. Without this training and annual FERPA update, your application cannot be given further consideration for any given school year. If you are contemplating becoming a Substitute in any capacity for Bangor School Department, please feel free to attend a session. (Please see our Fall/Winter Training/FERPA schedule listed on our Employment page.)

We look forward to hearing from you. If you have questions, please feel free to call our Personnel Office at 992-4152.

PLEASE NOTE:

In consideration of our staff and students, please limit the use of fragrance-based products while on assignment. We sincerely thank you for your cooperation.
