

PEDICULOSIS (Head Lice)

Upon routine examinations of children in the school system, if it is found that a child has pediculosis, that child shall be excluded from school (in compliance with the State of Maine Statute on communicable diseases Title 20-A, M.R.S.A. 6301).

A child who has been excluded from school due to pediculosis shall not be readmitted to school until it is determined by designated school personnel that the child has been treated with proper medication and is nit free.
