Date ____ / ____ / ____

MUSICAL INTEREST INDICATORS	Always	Sometimes	Rarely	Never
I sing or play an instrument frequently				
I create my own music.				
I enjoy learning new music.				
I enjoy performing.				
I study music privately and perform in recitals (piano lessons, violin lessons, etc.).				
I am involved in other musical activities outside of the school day (choir, theater, dance).				
I am interested in learning new musical skills outside of school.				
I feel like I can sing or play very well.				
I express feelings and emotions through music creatively.				
I accept and use constructive criticism.				
I pay close attention to musical sounds and notice small details in music.				

1. What music activities do you take part in outside of school? How much time per week do you spend in these activities?

2. Do you take any music lessons or classes? Please list them.

3. Tell us about any achievements, awards, accomplishments, or products in any music areas of which you are especially proud.

4. Why is music important to you?
