**STUDENT AWARDS AND SCHOLARSHIPS**

---

In order to encourage the establishment of scholarships for Bangor High School graduates, the School Committee authorizes the establishment of the Bangor High School Scholarship Fund, into which all Scholarship donations for Bangor High School students shall be placed.

Prospective scholarship donors shall be encouraged to place their scholarship funds in the Bangor High School Scholarship Fund. Gifts to the Fund may be designated with the name of the donor, or with the name of an individual or organization, and Fund interest income will be applied on a pro rata basis to the component scholarship principal amounts.

The awards themselves may 1) bear the name of the donating individual or organization, 2) be made in memory of, or commemorate a student, faculty, staff member, or a member of the community.

The Bangor High School Scholarship Fund shall be administered by the Bangor High School Scholarship Fund Trustees, comprised of the Principal of Bangor High School, the Chairperson of the Bangor School Committee, and the Director of Business Services.

The Bangor School Committee reserves the right, through the Superintendent of Schools, to reject any prospective scholarships that would be inconsistent with the best interests of the Bangor School Department.
