

POLICY DEVELOPMENT

The Superintendent of Schools shall review existing policies continuously and shall recommend changes or additional policies as may be appropriate. Members of the Bangor School Committee, employees, students, or members of the public may suggest topics for policy development or revision.

Policies shall be drafted by the Superintendent and shall appear on the agenda of a Regular or Special meeting of the Committee for a first reading. Policies shall have a second reading for adoption at a Regular or Special meeting at least two weeks following the first reading. However, the Committee by unanimous vote may waive the second reading when the agenda includes notice that such action is anticipated. Agendas shall identify proposed policies by title and copies shall be distributed to all members of the Committee with the agenda.

Policies may be amended at the first or second readings. Once adopted, amendments shall be considered in the same manner as specified above for new policies.

All effective policies of the Committee shall be published in the Policy and Regulation Manual of the Bangor School Department.

The Superintendent of Schools shall govern the Bangor School Department in accordance with effective Federal and State laws and regulations, the policies of the Bangor School Committee, and the applicable bilateral labor Agreements between the Bangor School Committee and employee organizations.
